

Midland Festival Ballet brings the beauty of ballet to the Basin through quality dance education and meaningful, transformative performance opportunities for children and adults. We invite the corporate community to join our efforts. Our supporters enable us to bring in world renowned guest artists, teachers, and choreographers who inspire and invest in our students. They fund the production of new works, maintenance and acquisition sets, costumes, live music, and rental of a state-of-the-art performing arts center. Supporting those endeavors elevates the standard of excellence of MFB while keeping performances affordable and accessible for thousands of West Texans each year.

Your support demonstrates your company's commitment to quality, innovation, and excellence to not only to MFB's audiences, but throughout the Permian Basin. Support us today, and enable us to continue

bringing the beauty of ballet to the Basin.
